## **WOODMAN MUSEUM 2018 SPONSORSHIP OPPORTUNITIES**

The Woodman Museum was founded in 1916 from a trust established by Annie E. Woodman to **engage minds, ignite curiosity and provoke thought**. For more than 100 years, the Woodman has been preserving and exhibiting objects of historic significance, decorative and fine art, and natural science specimens that connect Dover and its citizens to the world.

The revenue that is generated by the endowment fund supports 36% of the annual cost to operate the museum. 51% of annual operating revenues comes from admission receipts, restricted grants for specific projects, museum memberships, gift shop sales, annual appeal contributions and donations made to the museum in Honor or Memory of an individual.

13% of the budget comes from sponsorships of events and special projects. As the museum celebrates our 102nd year, the Woodman is reaching out to the larger community to show your support of the museum through sponsorship of our events and activities.

**Please help us have  
a successful 2018!**
