WOODMAN MUSEUM 2020 SPONSORSHIP OPPORTUNITIES

The Woodman Museum was founded in 1916 from a trust established by Annie E. Woodman to **engage minds, ignite curiosity and provoke thought.** For more than 100 years, the Woodman has been preserving and exhibiting objects of historic significance, decorative and fine art, and natural science specimens that connect Dover and its citizens to the world. The museum's collection is one of the oldest and most comprehensive of any Museum in New Hampshire.

Only 33% of the Museum's annual operating revenue comes from admissions, gift shop sales, and event attendance.

The remaining 67% of our operating budget must come from fundraising; in the form of donations by individuals, restricted grants for specific projects from foundations, corporations and government sources, and from endowment fund interest. Please consider making a tax deductible contribution, or sponsor an event today.

**Please help us have
a successful 2020!**
