Woodman Museum 2022 Sponsorship Opportunities

The Woodman Museum was founded in 1916 from a trust established by Annie E. Woodman to advance and create passion for history, natural sciences, and the Arts. For more than 100 years, the Woodman has been preserving and exhibiting objects of historical significance, decorative and fine art, and natural science specimens that connect Dover and its citizens to the world. The museum's collection is one of the most comprehensive of any museum in New Hampshire.

Only 33% of the museum's annual operating revenue comes from admissions, gift shop sales, event attendance, and corporate sponsorships.

The remaining 67% of our operating budget must come from fundraising in the form of: donations by individuals, restricted grants for specific projects from foundations, corporations and government sources, and from endowment fund interest. Please consider making a tax deductible contribution or sponsor an event today.

**Please help us have a
successful 2022!**
